

Did I?

A simple line drawing of a water bottle, tilted slightly to the right. It has a flip-top lid with a small loop handle attached to the side. The bottle is empty, with a small dark line at the bottom indicating the base. The drawing is done in a minimalist, sketchy style with black outlines on a white background.

I did!

A large, bold black checkmark is centered within a thick black circular outline. The checkmark is stylized with a thick stroke and a rounded top. The entire graphic is set against a light beige background.
